Enrollment Process

Enrollment is a 7-step process. It is critical that each step is completed.

Step One	Application
Step Two	Volunteer Interview
Step Three	Volunteer Training
Step Four	References Completed
Step Five	Clear Police Check (for Vulnerable Populations) Submitted to Agency
Step Six	Successful Completion of a Home Assessment (for in-community programs only)
Step Seven	Final Team Assessment

Note that for some candidates, there may be extra steps to enrollment not included in this guide.

Step One: Application

An Application Form is available on the website, and **must** be completed prior to your interview. If you do not have access to the Internet, a hard copy will be made available.

Step Two: Volunteer Interview

The volunteer interview is conducted at our agency and takes approximately 1.5 hours. The purpose for this interview is to get to know you, learn about your strengths, and why you want to become a mentor.

Step Three: Volunteer Training

Our training comes in two parts: 1) our *Strong from the Start* general pre-match training; and 2) training specific to the program you signed up for. You must successfully complete both parts of training to move on with the process.

The Program Specific training focuses on the role of mentor, the relationship, and expectations for you.

We will also cover our *Strong from the Start* pre-match training, where we discuss safety and security and the support you can expect from the agency. *Strong from the Start* training covers how to create strong, healthy friendships, and what you can do to ensure that you and your group of mentees are

ready for a successful mentoring experience. At the end of *Strong from the Start* training you will have learned about how to keep your group safe, both physically and emotionally.

Step Four: References

Below are the types of references you are required to submit:

- Personal reference*
- Family reference*
- Employment reference
- Volunteer reference (if applicable)
- Significant other reference (if applicable)

**Note that your references must have known you for at least two years.*

References are submitted by means of an online form. Please bring these names and email addresses to your volunteer interview.

Step Five: Police Check

A new clear police check is also a requirement to any volunteer position within our organization.

If you have a clear vulnerable sector police check that has been done within the last six months, please bring it in.

Step Six: Home Assessment (for in-community programs only)

BBBSOLA staff will visit volunteer applicant's home to assess suitability for a child to visit.

Step Seven: Final Team Assessment

At the end of your enrollment, after references and police checks are completed successfully along with the above steps, a final team assessment is done. The team assessment is done by the Enrollment Team and ensures that all volunteer applicants being accepted into the program are meeting agency and Big Brothers Big Sisters of Canada's National Standards, are able to commit to the length of time of program, can provide a safe and stable role model to youth and demonstrate an ability to value communication.

Once you have completed all steps, CONGRATULATIONS! You are an approved Big Brothers Big Sisters of London & Area mentor! We look forward to working with you.

Soon it will be time for you to make a little someone very happy!
